Investment strategy and objective

ASG Enhanced Income Fund seeks to generate long-term value for investors, through an income-generating portfolio of securities providing high recurring returns.

These include Preferred Securities issued by Large Corporations, Subordinated Debt, Hybrid Securities, Contingent Convertible Bonds, as well as Real Estate Income generating investment vehicles, Municipal Bonds, Mortgages and Bank Loans.

Overseen by experienced managers, the ASG Enhanced Income Fund will be looking to obtain a high-performance potential through a well-diversified income portfolio.

With a prudent use of leverage, the Fund gives investors a unique opportunity to obtain high recurring income returns, which can be distributed on a quarterly basis.

The ASG Enhanced Income Fund LP is available to accredited US investors only.

The ASG Enhanced Income Feeder Fund is available for accredited Non-US investors only.
